Treasurers' Report.

17th September 1993

The 103rd Entry Association.

The drive to get members to take advantage of the Bankers Order option has been very successful, there are only six members who have not taken this option – and five of them still have not paid! Reminder letters are about to be sent to them.

As of the above date the Association has fifty three members. However, as already mentioned, five have still to pay their subscription for the forthcoming year.

Since our last committee meeting we have recruited one new member; Chris Bayes. Unfortunately, the recruitment of just one new member does not offset the potential loss of five. Hopefully they can be persuaded to part with a fiver.

At present our bank accounts stand as follows:

Current Account:	£101.94
Savings Account:	£759.23
Total:	**£861.17**

Although recruitment letters were sent off to the Malaysians quite some time ago, so far I have heard nothing in reply.
