1.Treasures report: NS reported that 5 members had failed to renew their subscriptions. Payment by Standing order had proved to be a very painless way of collecting the monies and NS/MW to include errant payers in a special effort in next newsletter to get these members back in the fold.

2. Chairman reported that John Carhart had been in U.K. on business and had intended to attend meeting but had been called back home for a business meeting.

3. Reunion 95 is looming closer and work will start at next meeting to start the planning effort. We have already had some suggestions as to venue and would like more input from the membership.

4. Next meeting **5 MARCH 1994 AT 11.00.**
