
MINUTES OF A COMMITTEE MEETING OF THE 103RD ENTRY ASSOCIATION HELD AT PROCON ELECTRONICS ON 19 July 1994 at 11.00 HRS.

Present: L Shardlow

B Neal
J Bromley

Appologies C Wales

1) **Minutes of Last Meeting** These were read and accepted as a true account of the last meeting

2) **Treasurers Report.** The Entry Association Fund is quite healthy and is anticipated to top £1000 by the time of Reunion 95. The accounts were approved by the committee and signed by the treasurer and chairman. Proposed by B Neal, seconded by J Dillon.

3) **Membership** We have currently 45 paid up members plus one other who realised that he had forgotten his dues. This is from an original membership of 62. The policy of using standing orders has worked very well.

4) **Election of Committee.** No nominations for any of the posts had been received so all members were re-elected. MHFW "volunteered" to continue with the newsletter with the usual help from the scrounging department.

5) **Reunion 95**. A proposal for a venue was put forward by LG, this was advertised in AIR MAIL and appeared to cater for service reunions. LS and NS to investigate and obtain costs by next meeting.

6) **Dates For the Diary.**

Next committee meeting:	8 October 1994.
