Apologies BN, JD,NS,CJW

Not a lot to report at this meeting - note new e mail for Ken, Les S and John. KB is still on the CAA plus" worldsend98@hotmail.com"
MFHW had had a letter from John Broms mother who is still very much alive and apprecitive of Malcolm sending her a copy of the newsletter.
A general discussion was held on the subject of the Reunion 2000 and the fact that next meeting we will need to get the room jobs allocated so that the organisation is relatively painless. So be at the next meeting or end up with the s*** job.
MFW to put another stronger letter in the newsletter so that we can actually get some of the membership interested, otherwise cancelled due to lack of interest !!!
As usual, Malcolm has no articles for the newsletter - so I have some funnys and an article on Vulcans which I did for the Farnborogh RAES AGM. So if you want me off the inside pages - write something.

NEXT MEETING 2 OCT 99 AT PROCON @ 11.00
