4 Reunion - Actions

1) Reconfirm booking and menu - LS.
Booking requires confirmation by April 2000
2) Format - same as last reunion - this worked and will require little change
3) BN / RN volunteered to do the table plans, menus and flower arrangement - CJW to send BN Entry Logo. Please copy LG as well for window
4) Booking form to be produced for Jan 2000 newsletter MHFW/NS.
5) Freepost letter reply to be priced BN/NS
6) Publicity - LG to put in Haltonian/ RAFN and any other magazine which will print it. Web site has it prominently on the front page and details will be updated as they happen..
7) Tin room - KB (well you were missing).

5 Apprentice Stained Glass Window. As you may well have seen in the Haltonian, the RAFHAAA have decided that all entries will be commemorate in the St Georges Church by means of a stained glass window. Costs to be obtained and presented to the entry on 11 Nov 2000 for approval. This will mean a commemoration service at Halton sometime in 2001 to dedicate the window. As we have an “official” entry badge, this should keep costs down as artwork can be provided by my son. Costs to obtained - LG by next meeting.

Next meeting :- 11 Dec 1999 at the Queens Head Aylesbury - all welcome
